Marit Inngjerdingen was elected meeting chair and writer of minutes.  
Peter McCourt and Finn Olav Levy were elected to sign minutes.
2. Annual Report for the section of pharmacology 2024  
The Annual Report was presented, and is attached with the minutes. There were no comments to the activities for 2025.
3. Election of the board
  - a. The board  
The board in 2025 consisted of:  
Marit Inngjerdingen (chair) (2023-2025)  
Erik Sveberg Dietrichs (2023-2025)  
Peter McCourt (2024-2026)  
Kristin Hovden Aaen (2024-2026)  
  
The following persons were re-elected:
    - Marit Inngjerdingen was re-elected for a period of 2 years (2026-2027), with the limitation that she will step down as leader of the board after 2026, and continue as regular board member for 2027.
    - Erik Sveberg Dietrichs as board member (for 2026)
  - b. Election committee  
The board will appoint new members during spring 2026.  
  
Of note, the board will work towards a new pharmacology section leader from January 2027, and a new president with pharmacology background for the NSFT main board from January 2027 when current president Maria Thérèse Hultman (toxicologist) will step down.
4. New BCPT board member  
Mimi Stokke Opdahl steps down as board member of BCPT. Eili Tranheim Kase has been proposed as a new board member from Norway, and is willing to step in.

*The section board approved Eili Tranheim Kase as a representative of NSFT to the BCPT board from 2026.*

5. Items for information and discussion

a. Meetings and activities 2026

The Oslo pharmacology environments at the University of Oslo (Department of pharmacology, Medical Faculty and Department of pharmacy, Faculty of Mathematics and Natural Sciences) and Oslo University Hospital (Department of pharmacology with clinical pharmacology) will be co-localized in the Life Science Building from January 2027.

We will exploit this co-localization to organize joint seminars, and use this as a platform to connect with clinical pharmacology (incl. RELIS), and also other pharmacology environments in Norway.

The board will coordinate seminars for 2026.

b. Ideas for the Winter Meeting 2027

There was a brief discussion on the winter meeting with no conclusions, discussion of this item saved for the main general assembly of the NSFT.

6. Any other business
