WINTER MEETING 2027

Norsk Selskap for Farmakologi og Toksikologi

27–29 January 2027 · Holmen Fjordhotel, Asker

WEDNESDAY 27 January 2027

12:00 *Lunch and check-in*

13:30 **Official welcome to the NSFT Winter Meeting 2027**
By NSFT chair Maria Thérése Hultman

THE HOLMEN LECTURE 2027 BCPT SPONSORED

13:45 **Godfrey Smith**, University of Glasgow, Scotland
Benefits and limitations of different animal and non-animal models for assessing cardiac drug effects

14:30 *Coffee break*

TOXICOLOGY SESSION
From Cigarettes to Vapes: Toxicological Challenges of Tobacco and Nicotine

14:30 **Randi Jacobsen Bertelsen**, University of Bergen
The impact of smoking and snus use on the health of the next generation

15:00 **Håkon Valen**, Norwegian Institute of Public Health (FHI)
Toxicological and regulatory aspects of tobacco and nicotine products

AWARDS FOR BEST SCIENTIFIC PAPERS OF THE YEAR BCPT SPONSORED

15:30 **Awardee toxicology – announced December 5th**
Awardee to be invited as speaker

16:00 **Awardee pharmacology – announced December 5th**
Awardee to be invited as speaker

16:30 *Coffee break*

PLATFORM PRESENTATIONS
Selected from submitted abstracts

16:45
- **Pharmacology Session A** — *Announced by end of December*
- **Toxicology Session A** — *Announced by end of December*

18:30 **Gathering in the bar**

19:30 **Dinner**

21:00 **Quiz**

THURSDAY 28 January 2027

THE POULSSON PRIZE 2026

09:00 **Awardee introduction**
By NSFT chair Maria Thérése Hultman

09:15 **Maria Dušinská**, Professor
From Curiosity to Validation: A Collaborative Scientific Adventure in Toxicology

TOXICOLOGY SESSION

10:00 **The Intergovernmental Science-Policy Panel on Chemicals, Waste and Pollution**
Introduction by Heidi Morka (Fagdirektør/Senior Adviser, Norwegian Ministry of Climate and Environment, KLD)
Panelists: Heidi Morka (KLD) · Hans Peter Arp (Norwegian Geotechnical Institute, NGI) · Rachel Karasik (Norwegian Institute for Water Research, NIVA)

11:00 *Coffee break*

PHARMACOLOGY SESSION
Inspired by nature: Peptides and polysaccharides as drugs

11:20 **Josefine Eilsø Nielsen**, University of Oslo
Membrane-Active Antimicrobial Peptides and Peptoids: From Mechanism of Action to Therapeutic Activity and Drug Delivery

11:50 **Kari Tvete Inngjerdingen**, University of Oslo
Antitumor activities of bioactive plant polysaccharides

12:20 *Lunch*

13:30 **PLATFORM PRESENTATIONS**
Selected from submitted abstracts

- **Pharmacology Session B** — *Announced by end of December*
- **Toxicology Session B** — *Announced by end of December*

14:30 *Coffee break*

14:45 **Poster session with bar**

Free time (spa, walks, relax)

19:30 **Conference dinner**

FRIDAY 29 January 2027

09:00
- **Annual meeting** — *Section for Toxicology*
- **Annual meeting** — *Section for Pharmacology*

09:30 **General assembly**
The Norwegian Society for Pharmacology and Toxicology

NORDIC SYMPOSIUM BCPT SPONSORED
Phasing out animal tests
An intro on the EU Roadmap by chair Marianne van der Hagen (ERT)

10:30 **Anna Beronius**, Karolinska Institutet, Sweden
Quality criteria for in vitro studies

11:05 **Volker Lauschke**, Karolinska Institutet, Sweden
Organotypic and microphysiological human tissue models for translational pharmacology and toxicology

PHARMACOLOGY SESSION

11:55 **Cecilie Johannesen Landmark,** OsloMet and Oslo University Hospital
Towards precision therapy in epilepsy

12:15 **Speaker to be announced**

12:40 *Lunch and goodbye*

WELCOME TO HOLMEN FJORDHOTEL
